Subject: PCBs: Malibu Cleanup Plan - Meeting with EPA Now March 20, 2014, not the week of March 24.

Hello Doug:

Hopefully this message finds you well.

I left you voice messages on March 11 and 12, 2014 regarding the need to change the meeting with Environ on the Malibu HS PCB cleanup plan back to March 20, 2014. We will be able to meet on that date at 10:00 AM. Please confirm this date and time for that meeting is still convenient and good for you and Eric Woods. The cleanup plan still needs to be submitted by the end of March 2014 consistent with EPA's January 27, 2014 letter.

Thank you for your courtesies. I look forward to your prompt reply.

Sincerely,
Carmen
